FOREWORD

The annual this year is published with a definite purpose in view. The graduates of 1934 are the first to have gone through high school the entire four years since the construction of the new Armijo. The class feels that it has developed and expanded with the growth of the new school.

We wish to transmit to you in this annual some of the wealth that we have derived from our experiences here. We hope to give an idea of the true meaning of the spirit of being a part of the new school.

SENIOR HISTORY

Having well-nigh reached the years when my memory will fail me and the weakness of old age come upon me, I do sit me down to narrate the strange adventures that befell my tribe in the most strange lande of the High Schoole Armijo. This I do that our children and children's children may know the deeds of prowess their grandsires performed in these brave days, for which His Gracious Sovereign, Prof Erskie, the First, did bestow upon them the privileges and titles appertaining thereto, which are theirs to keep for the ages to come. Little do they reckon of the hardships and dire extremities that we had to undergo in gaining admittance into and journeying through this great lande.

Great had waxed the game of High Schoole Armijo. Recently ravaged of burning fire, it was newly built. To this slightly lande we fared, a large caravan.

Muchly did the natives marvel at us, and quoth they to one another, "Oh, fulsome greene are they!" And much mirth there was at our motley array, and they dubbed us with strange titles, FRESHIES forsooth.

Eftsoons, we bothought us of choosing leaders for the combat in the new lande. So we gathered our hosts and held a mightly conclave. There we harkened to John Moller, him of the mighty tongue. Thence we ventured in to make our name in different combats in the lande, the most noted being a hearty welcome to the Freshies by the natives. Merrily we fared on till there come upon us a fearsome scourge, which wise men are want to call EXES. But our goodly crew did withstand this horror bravely.

With the coming of summertide came the end of one year in the faire lande of the High Schoole Armijo. As is the custom of that country, we came to a halt of ninety hote dayes. We then did scatter us among the valleys and hills. Some did pick the luscious fruit, others did toil in the harvest field; yet others even did search the seashore for fair maidens.

The resting space being over, we again did marshall our forces to continue on our journey. And lo! there appeared another caravan. We bethought of us the titles that had been

applied to us on our entering the country, and we did dub them FRESHIES with exceeding glee.

As is the order of things, we again chose new leaders. Silver McFall did lead us through the second year of our strife. Emboldened by our success of the previous year, we ventured still further. Thus we became known throughout the lande in combats of many sports, honor society, and clubs. A merrie party we did give, called the SOPHOMORE HOPPE.

That year passed, and we went further on our journey under the name of Juniors, with Leonard Wiebe at the head. Thereupon we boldly started to take leading parts in the activities of the lande. At our JUNIOR PROM we did dance by the beams from our faire lighted and decorated gym. There was nothing to mar our pleasure one whit.

Ever grew our increasing fame with our age, till the last year in the Lande of Armijo did bring us to our great honor-- Seniorship. Making the most of the last days in the faire lande in the PROGRAMME OF SPRING and the SENIOR PLAY (both goodly shows) along with other mighty accomplishments, we did in glory end our journey. Our goodly tribe headed by Robert Smith, did then leave the lande of High Schoole Armijo with deep regret and most happy memories to last for long years to come.

At last it is hore--
The end of the year!
We Seniors are leaving,
You know we're leaving you now.
But watch our elegant bow!

Thus have we foreseen the future
of the present Indian tribe;
Whether their plans and destinies
will harmoniously jibe
With these--our expectations--only
Time will tell;
Or whether their love will grow
or Fate break that spell--
We do not know.

But though the years roll on, and
joys intermingle with sadness,
No joys will come to make the heart
tingle with gladness
As those of--ARMIJO

CLASS WILL

We, the Senior Class of Nineteen hundred and thirty-four of Armijo Union High School, residents of Suisun and Fairfield, County of Solano, State of California, being of unsound mind and exhausted memory, and being mindful of the fact that our sojourn in the halls of said school is nearly ended, do declare together, this, our last will and testament, that is to say:

To the unforgiving and non-forgettable faculty we give and bequeath with mingled grief, but mostly pleasure, our absence.

We, the Senior class as a whole, will our overwhelming brilliancy to the Juniors, who are sadly in need of it.

To the dear little Sophomores, the members of which class are over-running the school, we do with all sincerity, will our mature minds, ripe inspirations, and good deportment.

To the innocent and unsuspecting Freshmen we bequeath our knack of escaping the snares of the faculty.

We, Putt Stewart and Betty Brownlee, do will our "drag" with Miss Davis to whosoever wants it.

We, Edith Buck and Antonia Ramos, do leave our beautiful eyes to Wayne McGimpsie and Red Wright.

We, Tisdale, Siebe, and Athey, do will our dainty and delicate statures to Norman Siebe, Harold Gein, and Harry Chadbourne, each of whom needs it.

We, Chester Monez and Leonard Wiebe, do will our permanent waves to Bill Wren and Gerald Swasey.

We, Helen Siebe and Dorothy Miller, do bequeath our sex-appeal to Margaret Hale and Molly McFall.

We, Caroline Pappas, Katherine Farbina, and Snookie Gerevas, leave our fair, blonde tresses to Dorothy Moller, Pat Trainor, and Ruth Wright.

We, Robert Smith and Stanley Chidester, with no sense of obligation, will our ability in avoiding entanglements in the form of skirts to John Colla, et al.

We, Margaret McElrath and Gladys Meyer, leave our everlasting friendship to Ruth Widenmann and Marion OKell.

We, Claire Dowdell and Jeanne Weir, bequeath our favorite expressions to the student body to use as mottoes.

We, Madeline Alonzo, Violet Straight, and Agnes Jacobsen, do leave our non-committal mannerisms to anyone who'll take them.

We, Edith Kidder, Dialtha Young, and Snookie Gerevas, with no regret, leave our places in Sherman's office to Barbara Buck, Patricia Patterson, and Ruth Davisson.

We, Elsie Maltagliati and Isabelle Snow, do will our terpsichorean feet to Horsie McElrath and Slimy Sweeney.

We, Ben Reams and Butch Lentz, do bequeath our manly physiques to Lawrence English and Alexander Cherimisen.

We, Elsa Widenmann and Margaret Woodard, do will our most studious habits to Whitney Simpson and Ralph Glasshoff.

We, Squeak Wilson and Jerry Figuerdo, bequeath our two girls to anybody--man enough to take them.

We, Red McGee and Primo Colla, leave our iron-man and wotta-man reputations to Walter Freitas and Manuel De Porto.

I, Silver McFall, do will my leadership to Don Wing.

We, Tom Moore, Melvin Silva, and Mervin Nelson, do leave our fascination for the opposite sex to Frank Straight, John Canova, and Eddie Legare.

We, Leslie Valine and Bill White, leave our ambitions and good common sense to anyone with the energy or desire to obtain them.

We, Jerome Sheldon and Ralph Bickford, leave our regrets that wild women are getting scarce to all who might be interested.

I, Con Stathakis, do will my ankle-dice to Johnny Colla.

We, Ione Mangels and Ruth Ellen Storey, will our straight and slender lines to Alice Stuewe and Vivian Clennell.

I, Champ Farbina, leave my unconquerable fighting spirit in tennis to Anne Gurnette.

We, Wilson Walton and Albert Spohn, bequeath our exotic dark complexions to Joe Frutos and John Colla.

We, Betty and Beatrice Reams, leave our prominence in school affairs to Margaret Mason.

I, George Lang, leave my A's in architectural drawing and my deep bass voice to Robert McQuaid.

We, George Otsuji and Henry Chan, leave our perpetual feud to George Egusa and Willie Chun.

So willing, we do set our hands and seals in this year of our Lord Nineteen Hundred and Thirty-Four.

JUNIORS

SOPHOMORES

FRESHMEN

JUNIORS

The school year 1934 is ended; thus we have successfully finished three years at Armijo. Our entrance, when we were very young, so long ago, was brilliant; no class could ever have had such a FRESHMAN RECEPTION or such a Freshman year. Starting out at once, for as you know, experience teaches, we took the initiative in many sports and activities.

Then came the dawn (one is supposed to know so much more when one is a sophomore), and we were full-fledged members of that great institution ARMIJO HIGH SCHOOL. Naturally, as the best class in school, our HOP was bigger and better than ever before and is described with adjectives almost unbelievable. Well, what if all the adjectives do come from the Sophomores themselves?

Dignified! What could better describe our return to school as Juniors! We had important and mighty matters to attend to. We could manage the school, win awards in all fields of sports, and select rings all at the same time--and with better judgment than the members of the class of '35. The PROM, the delight of the school year, was a symphony of smoothness and beauty--a lovely tribute to the Seniors, who were leaving.

Now at the end of 1934, we begin to plan for the final year at high school, for we shall be the examples for the rest of the classes--a thing we have planned for and hoped for, for three long years.

SOPHOMORES

Well, we, the class of '36 feel that we have done our part in history-making so far anyway. We commenced our high school career as a green and self-conscious group of Frosh; but since we were an unusually bright and ambitious lot, we evolved from an insignificant beginning to such a degree as to make many upper classmen sit up and look to their laurels in many school activities, such as SPORTS, SCHOLARSHIP SOCIETY, GLEE CLUB, and ORCHESTRA.

Under the guidance of Miss Davis and Mr. Newell, we elected Dorothy Moller, President; Jack Chadbourne, vice-president; and Willie Chun, secretary of the class for the year 1932-33. We were forced to hold the election twice because someone with a misguided sense of humor voted several times more than he was entitled to. We know better now.

When the FRESHMAN RECEPTION came along, we all turned out a dignified (though a rather nervous group) to prove nevertheless, that we had left all grammar school traditions practically far behind.

Then, somehow, the year slipped away on a wide sea of school activities, and we ceased to be baby Frosh and became a class of very sophisticated Sophomores. We found that it was better sportsmanship to help the new greenhorns along rather than to make their lives miserable. They weren't a bad lot of Freshies, although we know there was not, nor ever will be, a class quite as good as ours.

We held a meeting and elected Anne Gurnetto, President; Charles Crane, vice-president; and Henry Pangburn, secretary, under the supervision of Mr. O. C. Spohn. Everyone seemed well satisfied, and agreed that this year ought to add greatly to the glory and prestige of the class. It did, of course, for we participated in more activities than ever before and had more success in them. One of the most amusing and talked-of events of the year was the SOPHOMORE HOP given in March by our class, at which everyone had an unusually good time.

All in all, it was a splendid year, and we left a splendid record, which we hope to improve even more in our Junior Year.

FRESHMEN

On September 11, 1933, sixty-two of us new students, timid and excited and trying to feel as big as we had felt on the night of graduation, entered the large door of the high school. The first week one might have seen us bewildered Freshies scurrying to our classes late as usual, owing to the mad rush to and from lockers that would not open and class rooms that could not be found.

At our class meeting we elected as our officers; Kenneth Jones, President; Kenneth Finch, vice-president; Bill Brownlee; secretary; and Bob Spohn, Board of Control. With these officers to guide us through the year, we got well under-way, although the way was tempestuous at times, especially at examination time.

A couple of days before the FRESHMAN RECEPTION, the upper classmen tried to teach us poor little Freshies how to dance so that we might not injure anyone's dainty toes.

The FRESHMAN RECEPTION was the greatest event in our lives. The upper classmen did their best to make the evening enjoyable for us.

The final examinations struck terror to the hearts of us Freshmen. However, most of us sailed through with good marks and flying colors.

Here's to a successful sophomore year!

ARMIJO STUDENT

EL CIRCULO CASTILLANO

SCHOLARSHIP SOCIETY

ARMIJO STUDENT

The ARMIJO STUDENT has reached its years of discretion. It was born in 1904 and it is now thirty years old. In its younger days it was in the form of a booklet. This little booklet was published about five times a year with a LA MEZCLA at the end of the year. Later it was changed to the present form. For a short time, the ARMIJO STUDENT came out in printed form like a newspaper, but the printing cost too much money. It was then changed to a mimeographed newspaper, which was published every week except on holidays.

Last year, 1933, the commercial office bought a new typewriter. The print was smaller and clearer, which made the paper look neater and more attractive generally.

Through the co-operation and hard work of the STAFF and the JOURNALISM CLASS the ARMIJO STUDENT has had a successful year. Each department has tried to out-do the other department.

The motto has been to try to--Publish a bigger and better paper.

The staff of this year's ARMIJO STUDENT is as follows: Jeanne Weir, Margaret Woodard, Silver McFall, Edith Kidder, Isabelle Snow, Agnes Jacobsen, Elsa Widenmann, Barbara Shoemaker, Elsie Maltagliati, Claire Dowdell, Betty Brownlee, Marvelle Gerevas, Dialtha Young, Patricia Patterson, and Miss Mary Jean Davis.

The school derives many benefits from the newspaper, such as the following: a student on a high-school staff may later get on real newspaper staffs. Not only the staff is benefited but the readers as well because the school spirit is fostered. The school is unified by the ARMIJO STUDENT because everyone is brought in touch with school activities, news, and the events of school life. The GOSSIPER does its part in making a student feel a part of the school. A joke can bear beneath it much real fondness for the victim. Everyone loves a joker, and one who can take a joke.

In short, the purpose of the ARMIJO STUDENT is to serve the school.

EL CIRCULO CASTILLANO

During the past school year, EL CIRCULO CASTILLANO, composed of second-year Spanish students, under the leadership of Miss Portia Harrison, held many interesting meetings. The following officers presided over these meetings: President, Edward Hopkins; vice-president, Silver McFall; secretary, Dorothy Moller; ARMIJO STUDENT Reporter; Edna Wright. These officers all took great interest in the club, and, with the hearty co-operation of the members, filled their respective offices very well.

At each meeting various members of the club were called upon to entertain. Such entertainment as short talks on current topics, spelling matches, and Spanish games held the interest of the members.

EL CIRCULO CASTILLANO is very beneficial to the students, for, Spanish is spoken throughout the meetings. Moreover, because the meetings are enjoyed by everyone. The members take a greater interest in the study of the Spanish language.

The year of 1933-34 was considered to be a very successful one. All the members tried to uphold the motto: ALCANZA QUIEN NO CANSA.

SCHOLARSHIP SOCIETY

The SCHOLARSHIP SOCIETY is an organization consisting of such pupils who through application succeed in making such grades as entitles them to the privilege of being members of the SCHOLARSHIP SOCIETY.

It is a privilege to be a member of this society. Every student, upon entering high school, should aim at making himself eligible for membership.

In order to become a member of the SCHOLARSHIP SOCIETY, one must receive a semester average of ten points, an A grade counting three points and a B grade counting one point.

The membership of this organization is comparatively small this year. There are some two hundred students in the school, only eleven of them being eligible. This is not a very large percentage; and in future years, the students should make a strong and persistent effort to increase the percentage.

The officers of the SCHOLARSHIP SOCIETY this year are as follows: President, Margaret Hale; vice-president, Margaret Mason, secretary-treasurer, Antonia Ramos.

The members of the SCHOLARSHIP SOCIETY for this year are as follows: Betty Brownlee, Bill Brownlee, Margaret Hale, Grant Ichiwaka, Margaret Mason, Jean Mortensen, Antonia Ramos, Olga Simonini, Albert Spohn, Alice Steuwe, and Jeanne Weir.

ORCHESTRA AND BAND

DRAMATICS

GIRLS' GLEE CLUB

ORCHESTRA--BAND--TRIO

Without doubt, the year 1933-34 has been the most successful for the orchestra since it was organized--nearly ten years ago, under the direction of W. F. Newell. Now there are two off-shoots to the orchestra--the band and the trio.

The orchestra's repertoire includes a large number of pieces, each of which is different from the others. This characteristic is essential because of the variety of programs in which the orchestra has participated.

The outstanding program of the year was that given at Vallejo during May. At this performance, the orchestra seemed to have reached its highest pitch, and the music was received with pleasing enthusiasm. Music was furnished for an entertainment given by the Vacaville P. T. A. on March 14. Some of the other successful appearances of this body were as follows: the ARMISTICE DAY, CHRISTMAS, and SPRING PROGRAMS, and, of course, COMMENCEMENT.

The band, too, has had a successful year. It started the season by playing at the ARMIJO-ST. HELENA football game and was so well liked that it continued to play for all the basket ball games at Armijo. In fact, music at the games was so well received that it is believed the band will play for all the games next year.

The high lights to remember by the members are as follows: the trip to Vacaville to play for the VACAVILLE-ARMIJO game; and the jaunt to Vallejo to play at the MUSIC WEEK FESTIVAL.

Mr. Newell can well be proud of the work of the band. This year it celebrated its seventh birthday, but it is as good as many bands twice its age.

The INSTRUMENTAL TRIO--consisting of violin, cello, and piano--was started several years ago and has made remarkable progress. It has appeared in many programs during the year and has rendered difficult pieces in such a manner as to make the ARMIJO TRIO very popular with their public.

DRAMATICS

Each year the DRAMATICS CLASS is organized with the idea of doing something "bigger and better" than the preceding class. However, just what the "bigger and better" thing is remains to be seen down through the ages. A summary of the accomplishment of the Class of 1934 is as follows:

WASHINGTON'S FIRST DEFEAT--a one-act play put on by three members of the DRAMATICS CLASS. A short comedy commenting on several incidents of Washington's youth. The characters were Betty Brownlee, Robert Smith, and Marvelle Gerevas.

THE SPRING PROGRAM--three one-act plays. The first, THE TRYSTING PLACE was a comedy describing the private affairs of a group of people in a country hotel. The cast consisted of seven characters. THE ANGEL INTRUDES, a satirical comedy put on by a cast of four characters followed. THE WATER WHEEL was a presentation of the dull, monotonous life on a Northern California farm. The cast included five characters. This play proved to be the hit of the evening and was later repeated before the FARM CENTER.

JOBYNA STEPS OUT--The SENIOR PLAY is the outstanding production of the senior class each year. This year's play was a breezy farce, somewhat different from the more intense mystery play of the year before. The cast selected was as follows:

John Loomis.....	Chester Monez
Gary Loomis.....	Robert Smith
Nick Cromwell.....	Silver McFall
Gin Bradley.....	Claire Dowdell
Lucy Stevens.....	Betty Brownlee
Tony Crandall.....	Mervin Nelson
Jobyna Loomis.....	Elsie Maltagliati
Mr. Loomis.....	Jack Tisdale
Mrs. Loomis.....	Elsa Widenmann
Della.....	Marvelle Gerevas

GRANDMA PULLS THE STRING--A comedy put on by six players on Senior Class Day before the Student Body.

GIRLS' GLEE CLUB

Another successful year has passed for the ARMIJO GLEE CLUB. Under the able direction of Miss Emily L. Reese, the GLEE CLUB has achieved great renown in this community. It has worked faithfully this year and has made many successful appearances in public.

Featured on most of the programs, in which the GLEE CLUB was present, was Yoneko Kato, lyric soprano; and Edith Buck and Margaret Woodard, who pleased the audiences with lovely duets. Miss Kato sang at the LIONS' CLUB, COUNTY FEDERATION WOMEN'S CLUB MUSICALS, LADIES' AID PROGRAM, EASTERN STAR, and for an ORIENTAL PROGRAM given at the Wednesday Club by the WOMEN'S CLUB of this community. Miss Buck and Miss Woodard were also featured vocalists at the SUNSHINE CLUB, LIONS' CLUB, and for general school functions.

A GIRLS' CHORUS has been organized again this year, from the members of the GLEE CLUB. It is composed of nine members, including Evelyn Sweeney, June Sonneland, Annie Juan, Margaret Woodard, Margaret McElrath, Gladys Meyer, Edith Kidder, Edith Buck, and Agnes Jacobsen. The members of the CHORUS and the GLEE CLUB have sung in various programs, presented at the WEDNESDAY CLUB, the CHRISTMAS PROGRAM, WASHINGTON'S BIRTHDAY, PUBLIC SCHOOL WEEK PROGRAM, and COMMENCEMENT.

The CHRISTMAS PROGRAM consisted of an outdoor scene IN THE FOREST and an indoor scene IN THE CHURCH. Miss Reese organized a BOYS' CHORUS for this program, including Robert Smith, Leonard Wiebe, Edward Hopkins, Jerome Sheldon, Harry Chadbourne, Charles Crane, Wilbur Wright, Tony Juan, and Con Stathakis.

WASHINGTON'S PROGRAM was another marked success for the GLEE CLUB. It introduced a COLONIAL GARDEN PARTY. The GLEE CLUB girls sang numbers appropriate for this memorable day.

Katherine Farbina was the able accompanist. The girls have been assisted by Jeanne Weir, cellist, and Edith Kidder, violinist.

The GLEE CLUB is looking forward to greater success in the years to come.

STUDENT BODY

The school year of 1933-34--full of achievements and laurels in athletics, scholarship, and social activities--is drawing to a close at Armijo.

The FRESHMAN RECEPTION was given on October 13, at which the little ones were welcomed to our dear school! The CHRISTMAS DANCE was given on the night of December 22 and was as much a success as the FRESHMAN RECEPTION. A program was presented in the afternoon, which closed with Santa Claus (Bobby Spohn in disguise) appearing and distributing gifts to each little girl and boy of Armijo.

A banquet at Vallejo, given in honor of Bill Corbus and attended by other famous men of the gridiron, was enjoyed by the members of the football team on December 7. The student body sponsored a banquet for the basketball teams of Armijo and Vacaville after their game. Hamburgers, pie, and coffee were heartily enjoyed.

The desire for turf on our football field has changed from a dream to a reality--thanks to the C. W. A! Now we are looking forward to the games that are to be played on the green, green field.

The executive officers of the student body that have managed the student affairs so well in the past year are as follows:

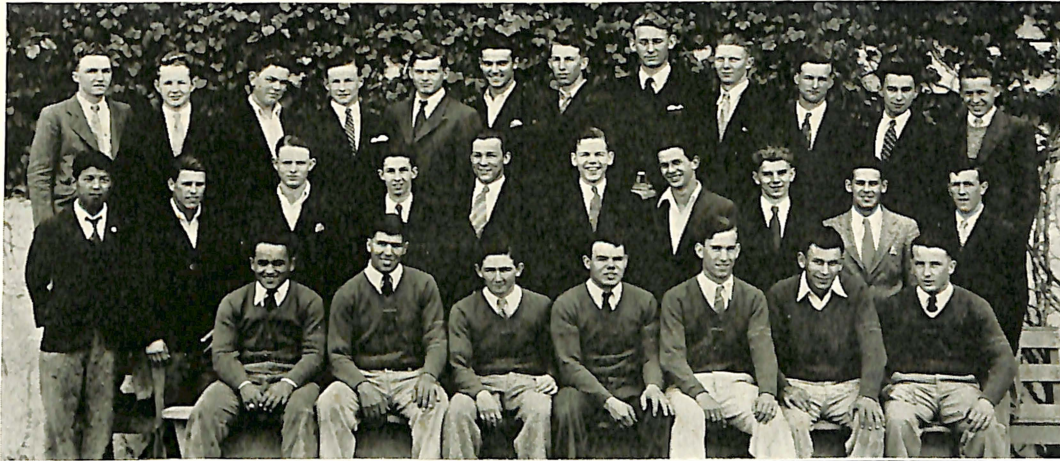

FALL SEMESTER

SPRING SEMESTER

Silver McFall.....	PRESIDENT.....	Jerome Sheldon
Albert Spohn.....	VICE-PRES.....	Con Stathakis
Marville Gerevas.....	SECT.-TREAS.....	Margaret Woodard

The members of the Board of Control who have co-operated with the faculty in making the dances and banquets successful are as follows: Edwin Cusick, Molly McFall, Margaret Hale, Elsa Widenmann, Margaret Mason, Bob Spohn, Leonard Wiebe, Katherine Farbina, Dorothy Moller, and Ralph Bickford.

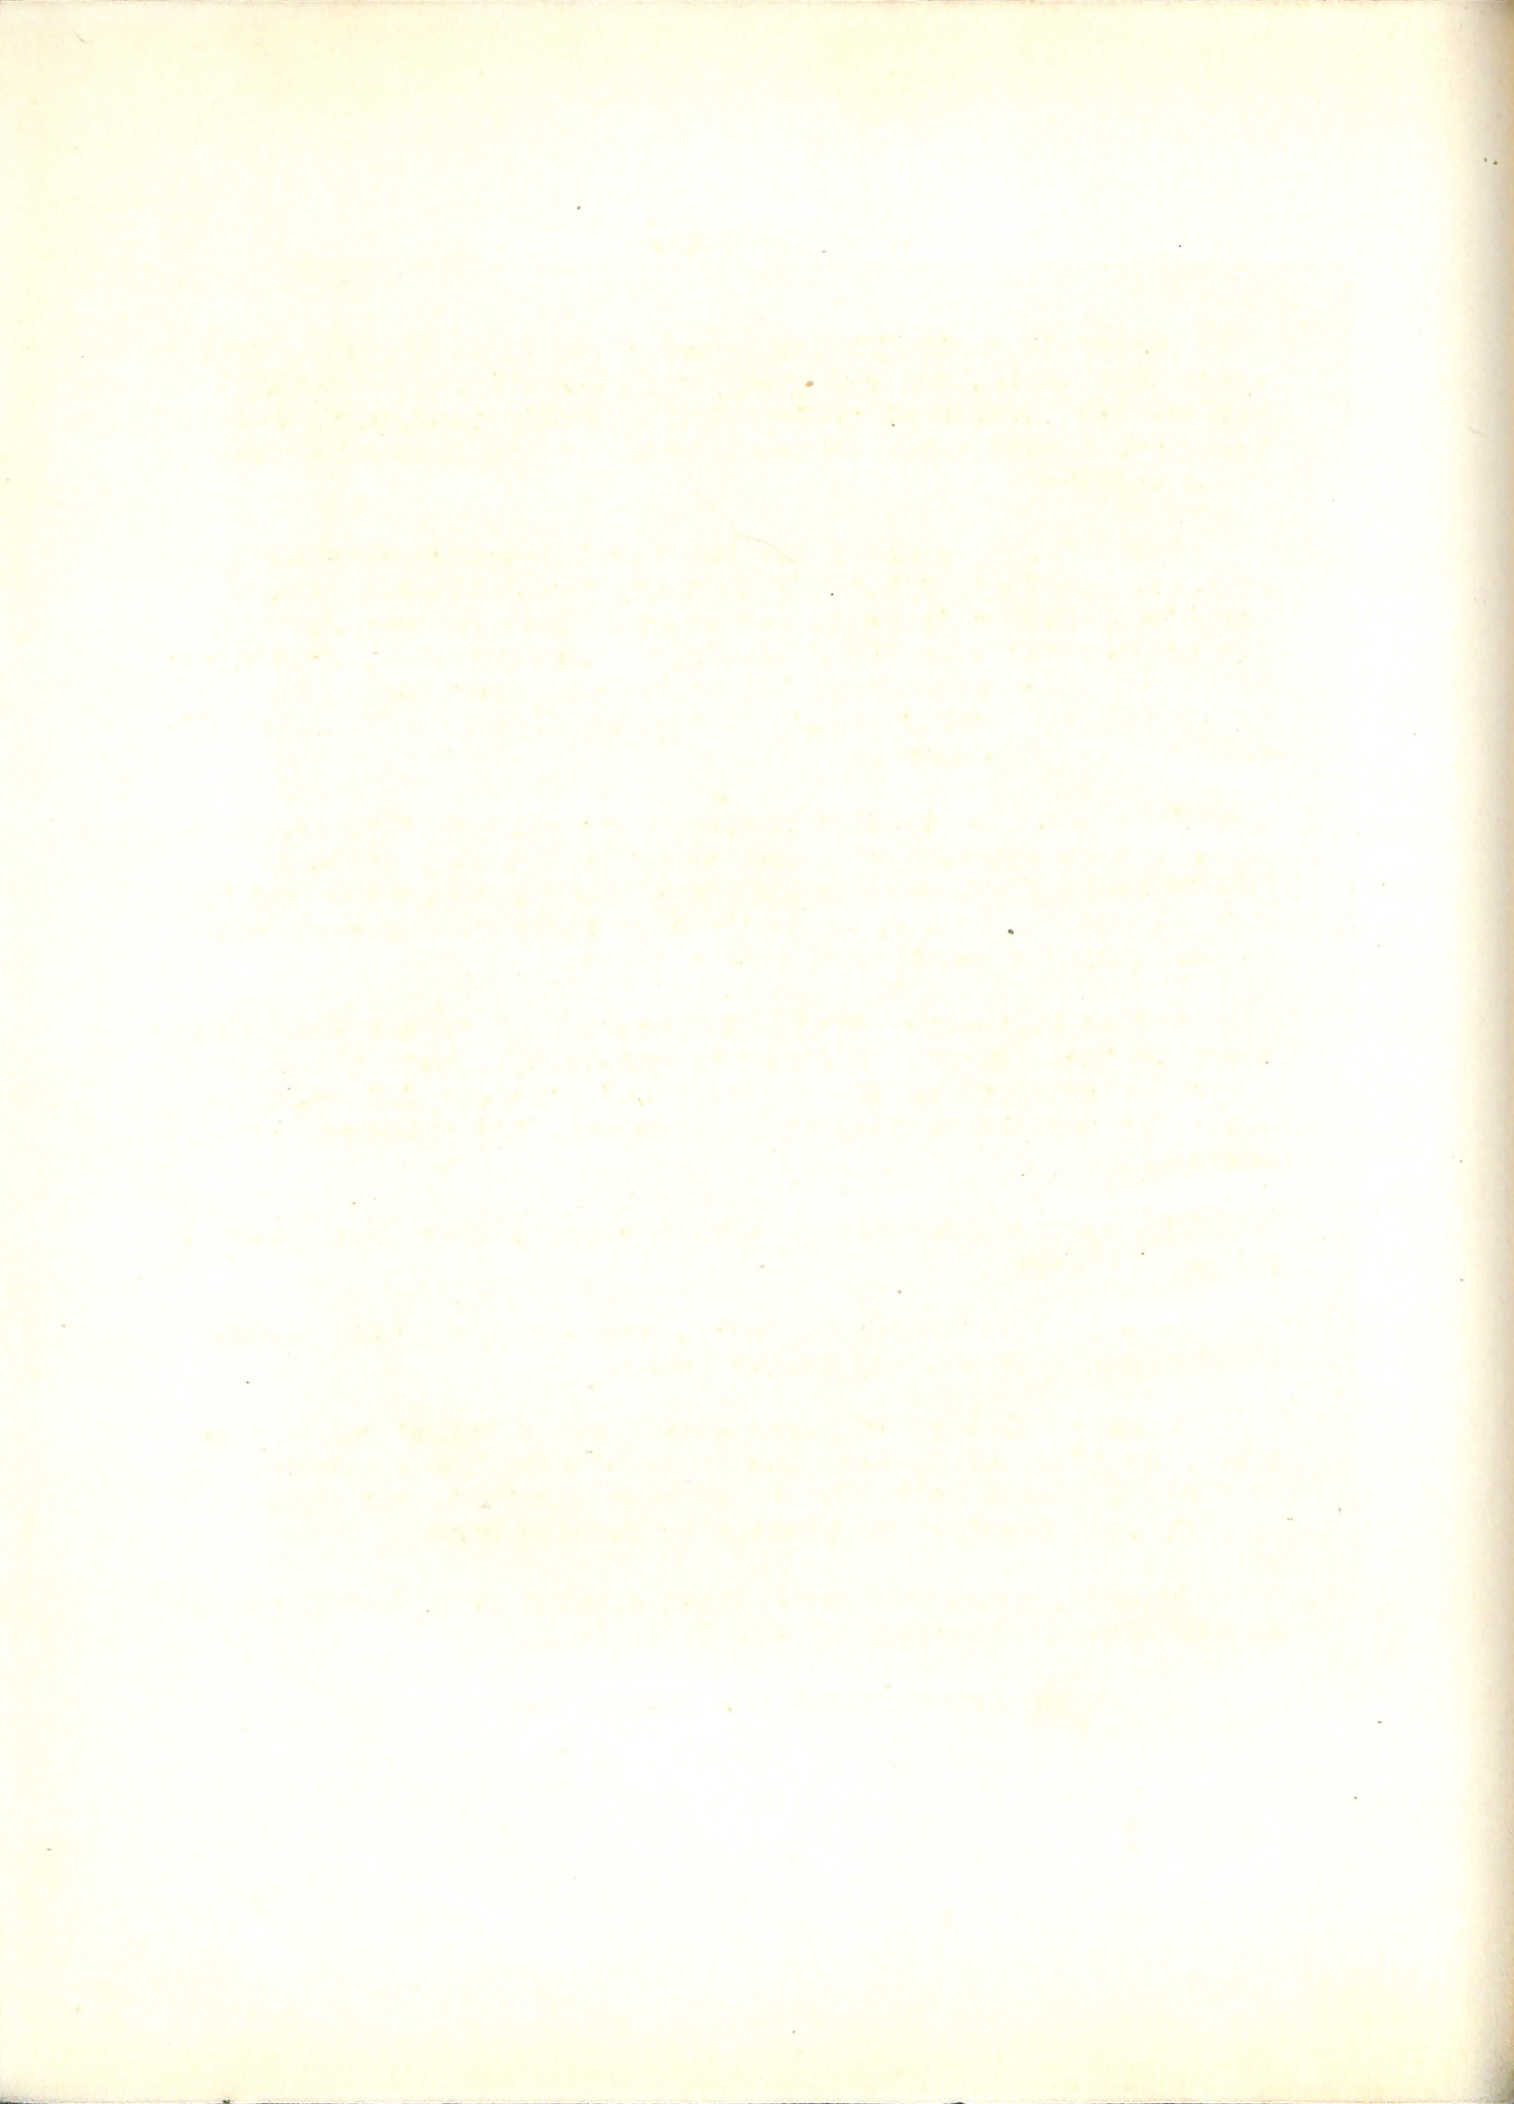

The willing co-operation of the student body, the management of our officers, and the advice of the principal and faculty members have helped to make this year outstanding in the history of Armijo!

BLOCK A SOCIETY

SCIENCE CLUB

MATHEMATICS CLUB

BLOCK A SOCIETY

The BLOCK A SOCIETY has grown steadily in the last five years, due to the unceasing and untiring efforts of Coach Bailey. The number of members has steadily continued, and this year's membership is the largest in the history of the organization.

The officers elected for the first semester were as follows: La Verne Wilson, President; Con Stathakis, vice-president; Walter Freitas, secretary. The officers for the second semester were the following: Con Stathakis, President; Ed Cusick, vice-president; Silver McFall, secretary. Ed Cusick was the member chosen to represent the BLOCK A SOCIETY on the Board of Control.

This year the type of sweaters was changed from the slip-on to the button-up type. The color is the same as last year's (school colors); being purple with gold stripes on the left sleeve. A member is entitled to a stripe for each year he has earned a block in a single sport.

The constitution, which has been put in effect this year, provides that persons eligible to membership, must maintain a certain scholarship and conduct; and provides for requirements for various sports, type of awards, and placement of awards.

The new requirements to make a block letter in a sport are as follows:

To make a letter in football, one must play (48) forty-eight minutes in winning league games.

To make a letter in Class A or Class B basket ball, one must play (32) thirty-two minutes in winning league games. In Class C basket ball, due to shorter quarters, one needs to play (24) twenty-four minutes in winning games.

In track a man must have taken a point or a fourth place in the southern division of the S. C. A. L.

In tennis, one must win one league match.

SCIENCE CLUB

The ARMIJO SCIENCE CLUB for the year of 1934 has proved very successful under the leadership of Mr. O. C. Spohn. The members are made up of students from the chemistry and physics classes.

The officers for the first semester were as follows: Leonard Wiebe, President; Everts Stewart, vice-president; and Margaret Hale, secretary. The following were the officers elected for the second semester: Vernon Athey, President; Robert Smith, vice-president; and Ione Mangels, secretary.

Topics were discussed from all fields of science. During the meetings many interesting scientific topics and educational programs were given by the members of the club.

Many of the students took an interest in taking and developing pictures, which proved to be one of the most interesting features of the club.

During the month of May, the club held its annual SCIENCE CLUB PICNIC at Putah Creek. Swimming and boating were the main features of the day, and no one can ever forget the eats.

MATHEMATICS CLUB

On October 26, 1933, the upper division mathematics classes met in Miss Lorene Wylie's room to launch a new organization. The name, ARMIJO MATHEMATICS CLUB, was decided upon and a constitution was drawn up. Following this an election of officers for the fall semester were elected; they were Silver McFall, President; Leonard Wiebe, vice-president; Elsa Widenmann, secretary-treasurer; and Ralph Bickford, Board of Control.

It was not long after this that the new organization was formally accepted by the Board of Control, and the Club was well on its way.

The purpose of the group is to stimulate interest in mathematics and to show lower classmen its value and uses. The Club has worked on charts which show the amount of mathematics required in various professions.

In February, the club was shown about on Mare Island and visited one of the large cruisers. The members were shown the points of interest by Lieutenant Fish, a cousin of Elsa and Ruth Widenmann.

Many very interesting talks were given by various members, showing the value and use of mathematics.

At the January meeting, the officers for the spring semester were elected as follows: Ralph Bickford, President; Jerome Sheldon, vice-president; Dorothy Miller, secretary-treasurer. Late in March an initiation was held and the new members were initiated in true collegiate style. A name was chosen in the early spring--ETA BETA PI, an appropriate Greek name for the group. This is used as well as the name first agreed upon.

At the end of its first year, the ETA BETA PI finds it has completed a most successful one. However, a great deal of this is due to its SKIPPER, Miss Wylie. She made the group possible and has always given freely of her time.

We all hope that the club will continue for many years to be an active organization.

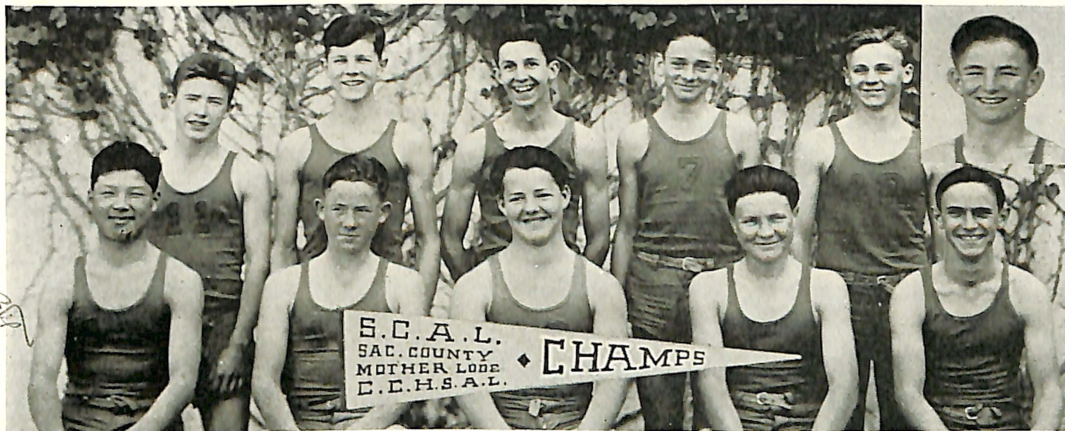

Years ago a pioneer brave
Gave his name to history's page.
Golden years since filled with glory
Proclaiming vict'ry--the age old story
Of fight and hardships; battles won
Through valiant effort for but one
Cause--the upholding of ARMIJO.
And the school now bearing his name
Has placed it high through skill and fame;
Reared its boys to be brave and true,
And taught its girls clean tactics, too.
Through four years each tribe has striven
To maintain the honor given
So many years ago
By that pioneer--ARMIJO.

CLASS A BASKET BALL

CLASS C BASKET BALL

The ARMIJO C TEAM this year won as many championship games as any former Armijo team has ever succeeded in doing. The team this year won the CENTER SECTION C. I. F. CHAMPIONSHIP. It is for the first time since the B team of 1929 won it five years ago.

The C TEAM went through its entire season winning each game by a very narrow margin. It was not until the light-weights got out of the S. C. A. L. that they began to win games by margins of more than a basket or so.

The team worked hard, and steadily improved under the guidance of Coach Bailey from the beginning of the season on. It was not until well into the league season that the team finally appeared to be any where near a championship team.

The members of the team worked hard and deserve the appreciation and admiration of every member of the ARMIJO STUDENT BODY, for which they have fought valiantly. Every member of the team did his best and a CENTRAL CALIFORNIA CHAMPIONSHIP was the result.

Armijo hails the stalwart INDIAN PAPOOSES who worked hard and with the true Armijo spirit.

The letter winners of this group of men are the following: Bob Reams, Woodard, Swasey, Hopkins, Crane, J. Chadbourne.

CLASS B BASKET BALL

The ARMIJO B BASKET BALL team this year, although not so successful as last year's team, did its part in making Armijo's year a most successful one. The team started work rather slowly, but it steadily increased its momentum as the season advanced and at the time of the championship play-offs was in the pink of condition.

The team captured the championship of the S. C. A. L., and Sacramento County. The first was won by winning the greatest number of games in the league competition of the Southern S. C. A. L. The second championship, that of the S. C. A. L., was won when the B team met and defeated Clarksburg, winner of the N. S. C. A. L. The Armijo B team won its last league game and, incidently, the SACRAMENTO COUNTY CHAMPIONSHIP by defeating the fast hard-fighting Elk Grove team.

The B team lost only three games during the season: an early season practice game with Sacramento, the first regular game with Vacaville, and the SIERRA FOOTHILL CHAMPIONSHIP game with Placer. This is a fine record for any team to make and Armijo is justly proud of her B team.

The letter winners in B class competition this year are the following: Donald Wing, Jerry Figuerdo, Tony Juan, Norman Siebe, Sidney Mack, Ned Pretel, and George Egusa.

CLASS A BASKET BALL

The ARMIJO VARSITY opened her 1933-34 basket ball season with a blaze of glory. Until the third league game she had not lost a game. The entire season was highly successful, with the team losing only those games played against the VACAVILLE VARSITY.

This same VACAVILLE VARSITY was the team that last year won the S. C. A. L. and the SACRAMENTO COUNTY CHAMPIONSHIPS. The games were all exciting, and the Indians played exceptionally fine ball up to the time the Indians met Vacaville. The loss of these games to Vacaville, however, seemed to demoralize the team, and it was only after a long hard-fought game that the ARMIJO VARSITY succeeded in winning its final league game with St. Helena.

The team seemed to be much stronger at the first of the season than later on when the LEAGUE COMPETITION began. During the practice season the Armijo team came out as victors over such quintets as Vallejo, Sacramento, Grant, Dixon, and Woodland--all of which ended with quite decisive scores.

The letter winners in Class basket ball are the following: J. Colla, P. Colla, Stathakis, Lentz, Reams, Athey, De Porto, and Frutos.

FOOTBALL

The INDIANS again came through to tie for the S. C. A. L. CHAMPIONSHIP. Going through the season with several tough games, the team succeeded in winning the Southern section of the S. C. A. L. without a loss. When it came to the play-off on the turf at Davis, our boys played as hard as they could; but could only succeed in tying the strong Davis team by a score of 7 to 7.

The team this year was built almost entirely of non-letter-men, which fact proves that the training given by Coach Bailey is very effective. This is the third time in five years that COACH BAILEY and his tribe of INDIAN BRAVES have captured the S. C. A. L. pennant in FOOTBALL.

The team was somewhat handicapped in that it had to play its first league game with Rio Vista without having had any practice games. The INDIANS, however, after a hard fight, succeeded in winning by a score of 7 to 0.

The following week found the team taking it on the nose from a powerful team from Crockett. The fellows came back, however, to take a fighting BULLDOG VARSITY down by a score of 6 to 0, followed by another defeat at the hands of Vallejo. This seemed to be just what the team needed.

The game with St. Helena was the climax of the season when the Indians defeated a most powerful team of Saints by the score of 7 to 0.

The letter winners of the season are as follows: Ben Reams, Lentz, Moore, Wilson, Figuerdo, Sheldon, Cusick, Freitas, Athey, Frutos, P. Colla, McGee, Bickford, Tisdale, Bob Reams, Oliver, Wiebe, and Gein.

TRACK

The 1934 track season did not turn out so successful for Armijo as it has in the past. For the first time in thirteen years the Armijo track team didn't win the S. C. A. L. in either class of competition.

The FIRST MEET of the year was between Sacramento and the combined teams of Armijo, St. Helena, and Elk Grove. Sacramento won the B meet, while the combined schools came through to take the CLASS A MEET.

The DAVIS PICNIC-DAY MEET was entered by several Armijo men, who did very well under the circumstances.

CLASS C TRACK was instituted for the first time this year. The C TEAM had a practice meet with Rio Vista and Winters in the Armijo Oval. Later in the year the S. C. A. L. CLASS C TRACK MEET was held on the Armijo Track. In this meet Armijo took second place, Rio Vista winning by a nice margin.

As this article goes to press, the team is about to enter several INTERLEAGUE MEETS which may result in Armijo's placing men for the finals of the N. S. C. I. F. meet to be held on May 12.

The SOUTHERN S. C. A. L. MEET held at St. Helena on April 27 was participated in by both the A and B CLASS TEAMS. The CLASS A MEET was won by St. Helena by a large margin.

The CLASS B MEET was won by Rio Vista. The ARMIJO TEAM took fourth place with a score of twenty-five points. This meet was very successful, considering the material in hand; and prospects for the coming year are very bright. Armijo will again be on top before the passing of many summers.

BASEBALL

The season of 1934 found Armijo again in the championship class. The team, consisting of seven members of last year's championship team, worked hard and lost the southern division play-off with St. Helena by one run.

Moreover, the team went through the league season losing but two games--those with St. Helena. St. Helena had a fine ball club, and it was tough on both teams when they got together.

The other league games did not amount to much since Armijo was successful in winning all of them quite easily. The southern division for baseball consisted of Armijo, Benicia, St. Helena, and Vacaville. The results of the division competition will be found below.

The letter winners in baseball were as follows: P. Colla, J. Colla, Lentz, Egusa, Frutos, Mack, Pretel, Stathakis, Reams, and Freitas.

GIRLS' ATHLETIC SOCIETY

The GIRLS' ATHLETIC SOCIETY has had a very successful year under the direction of their able adviser, Miss Lorene Wylie. The society is growing more in number every year. Interest and enthusiasm were aroused in the many opportunities which the society offers. Any girl who earns one hundred points is eligible for membership.

The officers who were elected for the year are Katherine Farbina, President; Edith Buck, vice-president, Agnes Jacobsen, recorder; Elsa Widenmann, secretary-treasurer.

An annual initiation was held on January 12 in the girls' gymnasium. This makes the second year the society has conducted a KIDS' PARTY. Clever invitations (with a lispng verse and fastened with a huge safety pin) were sent to the members, requesting their presence that evening. Nine girls were taken through a newly planned initiation ceremony. The initiates were as follows: Lula Meyer, Alice Stuewe, Marion Okell, Marie Freitas, Margaret Mason, Gladys Hopkins, Claire Peterson, and Emiko Dotemoto.

Managers were selected to take charge of the various sports. Sarah Lebedoff, Soccer Manager, proved very capable indeed. Anne Gurnette, Basket Ball Manager, conducted one of the most successful seasons the girls have had in a number of years. Tennis tournaments were organized by Marvelle Gerevas, baseball by Margherite Sciacqua, and Track by Dorothy Moller, which closed the sport season for 1934.

A spring initiation was held at NEWMAN'S SWIMMING POOL. The girls enjoyed novelty games and dances. Stunts were put on by the initiates to entertain the members. A picnic dinner followed later in the evening.

BASEBALL

The girls' inter-class baseball games were played off early this season and resulted in a tie between the Freshmen and Juniors for first place. The Sophomores were successful in winning second place; the Seniors failed to compete. Practices were held every night after school under the able coaching of Miss Lorene Wylie, and the turnout of the lower classmen was commendable.

FRESHMEN: Beatrice Alonzo, Louise Campos, Marie Freitas, Mabel Gein, Gladys Hopkins, Annie Juan, Carol Lambrecht, Lula Meyer, Grace Pappas, Emiko Dotemoto, and Wilma Widenmann.

SOPHOMORES: Barbara Buck, Alice Dotemoto, Eleanor Lambrecht, Jean Mortensen, Eva Sannazzari, Marjorie Tisdale, Evelyn Sweeney, Doris McElrath, Dorothy Moller, and Anne Gurnette.

JUNIORS: Vivian Clennell, Sarah Lebedoff, Bernice Monez, Mary Otsuji, Marie Pappas, Margherite Sciacqua, Mildred White, Marion Okell, and Alice Groulx.

SENIORS: Madeline Alonzo, Agnes Jacobsen, Elsie Maltagliati, Margaret McElrath, Edith Buck, Carolyn Pappas, Isabelle Snow, Jeanne Weir, and Elsa Widenmann.

Next year the teams hope to make a better showing for the competition will be greater.

SOCCKER

The Soccer turnout this year was a very successful one. This sport is only a year old with the girls and it has aroused great enthusiasm. The inter-class games were hard fought, and the teams were well organized.

Class teams were coached by Miss Lorene Wylie, who was assisted by her Soccer Manager, Sarah Lebedoff.

The Juniors were the champions by winning three consecutive games and one defeat; they were closely followed by the Freshman and Sophomores, who tied for second place. These two teams lost two games, won one, and tied one. The Seniors forfeited their games since they were unable to get enough players.

The class squads were as follows:

JUNIORS: Forwards: M. Sciacqua (c), Otsuji, Lebedoff, Canova, and Monez; half-backs: Munoz, Siu, and M. Pappas; full-backs: Clennell and White; goaler: Okell.

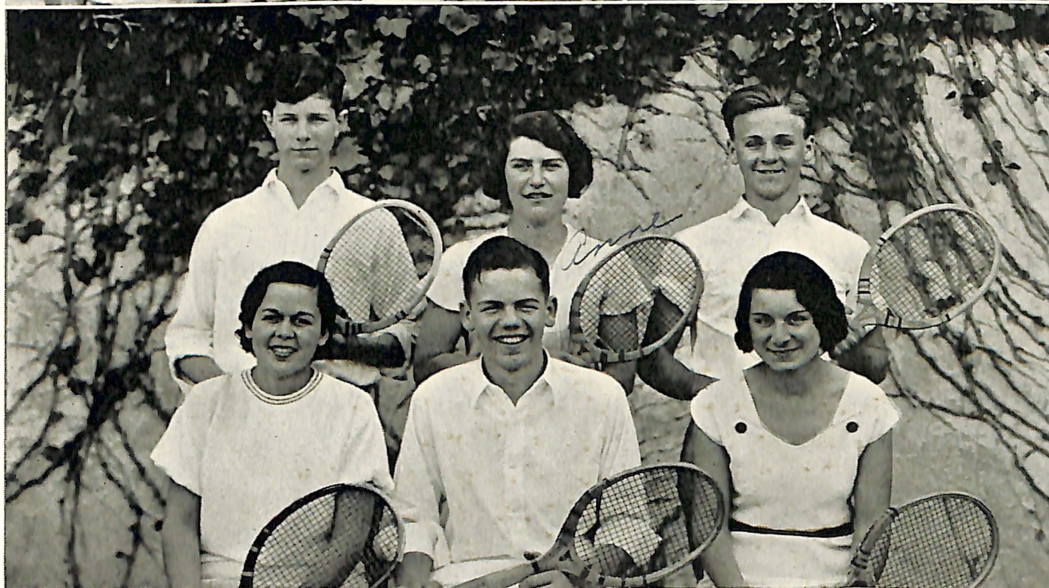

SOPHOMORES: Forwards: Mason, Sannazzari, E. Lambrecht, Sweeney, and Tisdale; half-backs: A. Dotemoto, Mortensen, and Petersen; full-backs: Moller (c) and B. Buck; goaler: Chadbourne.

FRESHMEN: Forwards: G. Pappas, M. Freitas, Gein, Hopkins, and Campos; half-backs: C. Lambrecht, Mitoma, and Scally; full-backs: Juan and E. Dotemoto; goaler: Meyer (c).

An all-star team was chosen by Miss Lorene Wylie and the manager Sarah Lebedoff, which consisted of the following:

RIGHT WING FORWARD: Campos, Osada, Sweeney
RIGHT INSIDE FORWARD: Lebedoff, Gein, E. Lambrecht
LEFT WING FORWARD: Mason, Otsuji, M. Pappas
LEFT INSIDE FORWARD: Petersen, Moller, D. McElrath
RIGHT HALF-BACK: Hopkins, Moller, A. Dotemoto, Munoz
CENTER HALF-BACK: Mitoma, C. Lambrecht, Steuwe, Siu
LEFT HALF-BACK: Mortensen

LEFT FULL-BACK: E. Dotemoto, B. Buck, White
GOALER: Tisdale, Meyer, Chadbourne

Dashing hither and dashing 'yon--
Basket ball season must be on!
Watch them with their heads aloof
Toss that ball right through the hoop!
Breathe again with sighs of awe
As it sinks without a flaw.
Don't you see those plump legs fly
As the ball goes whizzing by;
Whizzing o'er the gleaming net,
Bouncing low to win the set
For the victor--ARMIJO
As was done long years ago?

SCHOOL

GIRLS' BASKET BALL

For the first time in three years the Armijo girls organized a Varsity team to play outside school, which was coached by Miss Lorene Wylie. Although they did not have many victories, the team which represented the Purple and Gold showed fighting spirit.

The first game was played with St. Vincents. This game showed that the Armijo Varsity was inexperienced; nevertheless it made a good showing. The girls were badly beaten with a score of 12 to 33 in favor of their opponents, St. Vincents.

In the second game, which was played with Vacaville, the Armijo Varsity had more coaching and experience. It was defeated in a close game with the score 27 to 37.

The third game was played with St. Helena. The Armijo team took the lead after the first three minutes of play and continued to hold it throughout the game. St. Helena was defeated by a score of 19 to 31. This victory put some hope into the girls, and they went to Vacaville to play another close game; however they were again defeated by Vacaville by a score of 26 to 15.

The Varsity line-up was as follows:

Forwards: Gurnette (c), Farbina, and Munoz; Guards: E. Lambrecht, Sannazzari, and E. Buck; Centers: Moller and Gerevas; Substitutes: Jacobsen, Osada, Lebedoff, Alonzo, and Freitas.

In the inter-class competition the Sophomores were champions, with one defeat. The line-up for the class teams were as follows:

SENIORS: Forwards: Farbina and Jacobsen; Guards: Buck and Alonzo; Centers: McElrath and Gerevas (c); JUNIORS: Forwards: Lebedoff (c) and Munoz; Guards: M. Pappas and Otsuji; Centers: Okell and Sciacqua; Substitute: Groulx; SOPHOMORES: Forwards: Gurnette (c) and Buck; Guards: E. Lambrecht and Sannazzari, Centers: Moller and Osada; FRESHMEN: Forwards: Hopkins, Juan, and B. Alonzo; Guards: Campos and Gein; Centers: Freitas (c) and G. Pappas; Substitutes: Meyer and W. Widenmann.

TENNIS

This year Mr. Barkley, Armijo's Tennis Coach, has succeeded in developing one of the strongest tennis teams since 1932. Three teams were the victors for the SOUTHERN DIVISION TITLE this season, and Armijo's chances for another pennant this year are strong. It is needless to say the students are very proud of their tennis players.

The VARSITY SQUAD is composed of Katherine Farbina, Anne Gurnette, Marvelle Gerevas, Charles Crane, Lewis Morrill, and Wayne Woodard.

In the FIRST LEAGUE MATCH with St. Helena, Armijo won four out of five matches. Anne Gurnette won the girls' singles 6-2, 6-0. Wayne Woodard lost the boys' singles by a three set match, 7-3, 3-6, 8-10. Marvelle Gerevas and Katherine Farbina defeated the girls' doubles 6-0, 6-0. Katherine Farbina and Charles Crane won the mixed doubles by 6-2, 6-0, and Wayne Woodard and Charles Crane won the boys' doubles 6-1, 6-0.

In the second match with Benicia, Armijo won a majority of the honors. Katherine Farbina won the girls' singles 7-5, 6-3. Lewis Morrill lost the boys' singles 1-6, 2-6. Katherine Farbina and Charles Crane defeated their opponents in mixed doubles 6-3, 6-4. Marvelle Gerevas and Anne Gurnette won the girls' doubles 6-2, 6-3.

The FINAL LEAGUE MATCH was played with Vacaville. Katherine Farbina won the girls' singles 6-1, 6-0. Wayne Woodard lost the boys' singles 6-2, 2-6, 2-6. Marvelle Gerevas and Anne Gurnette defeated the girls' doubles 6-2, 6-2. Katherine Farbina and Charles Crane won the mixed doubles 6-2, 8-6. Charles Crane and Lewis Morrill lost the boys' doubles 4-6, 1-6.

JOKES

MISS DAVIS: Charles, correct this sentence: "It was me that spilt the ink."

CHARLES SIMMERS: It wasn't me that spilt the ink.

ooOoo

MR. BROWNLEE: Do you know Lincoln's GETTYSBURG ADDRESS?

BILL WHITE: No, I didn't even know he lived there.

ooOoo

OPTICIAN: Read the top line. (Moments went by; Betty stared at the card steadily but blankly. Finally he grew impatient). Do you mean to tell me you can't read letters that size?

BETTY MARTIN: I can read the letters all right, but I'll be darned if I can pronounce the bloomin' word.

ooOoo

We all laugh at teacher's jokes
No matter what they may be
Not because they're funny jokes
But because it's policy!

ooOoo

MARGARET WOODARD: Last night I was dreaming of the best looking boy!

SILVER MCFALL: Yes? What was I doing?

ooOoo

PATROLMAN: That's not the truth. We've had too many Smiths around here. Give me your real name and make it snappy.

ROBERT SMITH: Well, if I must, it's W. Shakespeare.

PATROLMAN: That's better. You can't bluff a man like me with that Smith stuff.

I DREAMED THAT-----

Albert was minus Elaine;
Elsie forgot pal Iz's name;
Tizzy was in circus fame;
Putt Stewart was without a dame;
Vernon Athey forgot boats;
Primo Colla neglected notes;
Claire Dowdell was modeling coats;
Jerry Figuerdo was a sheik;
Bickford and Reams were awfully weak;
Kidder climbed Sierra's peak;
Agnes Jacobsen was teachers' pet;
Clarence Lentz was all a-fret;
Helen Siebe's hair was jet;
Jeanne Weir knew how to be sweet;
Margaret Woodard was not neat;
Nelson and Siebe were squirts;
Katherine Farbina was a flirt;
Betty and Ruth Ellen played in the dirt;
Chet and Chid had dumped their heaps;
"Squeak" and Vivian were apart for weeks;
Betty and Carrie had the creeps;
Silver and Snookie were modest and shy;
Elsa Widenmann told a lie;
Dialtha did not heave a sigh;
Dorothy Miller did not have "nerves";
Madeline was without curves;
George Otsuji was a big he-man;
Betty Reams had a coat of tan;
Gladys Meyer raised pigs for ham;
Norman McGee forgot his bus;
Ione and Jerome were heard to cuss;
Antonio forgot to fuss;
Con had lost his dice;
Violet Straight was not nice;
Margaret weighed 100 thrice;
Wilson Walton was ambitious;
Wiebe and White thought girls delicious;
Edith Buck could not sew;
Leslie Valine was out to mow;
Bob Smith was colonial still;
Tom Moore thought girls nil;
Melvin Silva trod down a hill--

THUS ENDED MY DREAM.

FAREWELL

Starting on our steps to fame
At dear old Armijo,
We shall not forget the name,
No matter where we go.
Forget Miss Davis in English class,
Or Mr. Spohn's tales of trout and bass?
Forget Mr. Brownlee's keeping peace,
Or the fun we had with dear Miss Reese?
Forget Miss Wylie's Math and gym,
Or Mr. Barkley, known as Jim?
Forget Misses Bosshardt and Palmgren at school,
Or the coaching of Bailey and the music of Newell?
They're all first impressions of this great world,
We owe them for the good in us unfurled.
We shall always remember the happy days,
Though we are wending our many ways.
No matter what kinds of seeds we may sow,
We shall always remember dear Armijo.
